

Unmutedco launches LLC Stuff Group

FOR IMMEDIATE RELEASE

ATLANTA, GA – UnmutedCo a small business services company, is pleased to announce the official launch of its new small business services group **LLC Stuff**. The company is dedicated to helping minority-owned businesses achieve digital transformation and growth through innovative technology solutions.

As the COVID-19 pandemic continued to impact small businesses, especially those owned by minorities, Unmutedco recognizes the need for affordable and accessible services that can help businesses adapt and thrive in the digital age. The group will offer a range of services that include website design and development, digital marketing, and cloud-based solutions to help businesses increase their online presence and streamline their operations.

"Our goal is to empower small businesses, especially those owned by minorities, by providing them with the digital tools and services they need to succeed in today's competitive marketplace," said Alexander Haynes, Managing Partner and CEO of Unmutedco. "We believe that every business deserves access to the same digital transformation opportunities and that our services can help level the playing field for minority-owned businesses."

Unmutedco also provides consulting services to help businesses assess their current technology infrastructure and identify areas for improvement. The company's team of experts works closely with clients to understand their unique needs and goals, and develop customized solutions that meet those needs.

"Our team is committed to delivering exceptional service and results to our clients," said Tiffanie Mackey, Chief Operating Officer. "We take pride in our ability to provide high-quality services that are tailored to the specific needs of each client. Our mission is to help minority-owned businesses succeed in the digital age, and we're excited to partner with businesses to help them achieve their goals."

LLC Stuff is now accepting clients and encourages interested businesses to visit their website at www.llcstuff.com to learn more about their services and schedule a consultation.
